3 Degrees of Separation (The Crave Collection Book 2) Natalie Simone

Jayne is a beautiful and ambitious vixen who still sees people as disposable. She works at a prestigious law firm and is months away from passing the bar. She is dating Damien, who wants her to be his woman. Jayne couldn't care less about what he wants as long as he stays cool about her occasional hookups with women and stops pressuring her for a relationship.

Tramaine is good-looking, established, and the biggest player in Atlanta. Her heart was broken once, and she has taken steps to ensure that it never happens again. Jayne meets Tramaine, who quickly becomes her new best friend. They are attracted to each other, but Jayne likes her women in boy shorts--not boxers--and Tramaine already has her hands full.

Candice is hardworking and the ultimate wifey. Too bad she's living with Tonya, who smokes and drinks all day while pretending to look for a job. Tonya is up to something, and if Candice finds out, it could destroy their relationship.

These women are all connected because in the glamorous world of women who love women in Atlanta there are only three degrees of separation.
