Ronnie Sidney is a perfect child. The illegitimate son of a wartime romance, he gives his mother the unconditional love she so craves. In his mother's eyes Ronnie is faultless: a ray of sunshine in her grey life. But as cracks begin to creep into Ronnie's facade of youthful charm, a very different character starts to emerge.

For Susan Ramsey, life is easy. Cherished by her parents, she knows nothing of hardship or misery. Until a sudden tragedy thrusts her into a dark and disturbing world.

When Susan and Ronnie meet, the attraction is instant. Each recognises in the other a long-awaited soul mate. Finally, Ronnie feels able to remove his mask of perfection - with consequences more dreadful than either could possibly have foreseen . . .

With its compelling exploration of psychological power games and emotional violence, *Apple of My Eye* is the mesmerising third novel from the bestselling author of *The Wishing Game* and *The Puppet Show*.
