To try and solve her problem, the man of the house sends her for a summer season in Bath, under the instruction of a stern butler, Albert. Soon though, she's going to realize that there's more to the plan than meets the eye. Soon, this heiress is going to be wearing nappies, regressed and begging for more.

2. THE DUKE'S LITTLE DARLING

When shy and inexperienced Rosie Silver stumbles upon her Master - the commanding Duke Manning - engaged in a strange and perverse act with two of his servant girls, the Duke decides to teach her a lesson for snooping.

However, during a steamy spanking session, the Duke's tender side comes out, and his feelings for Rosie grow. Soon, he admits his protective feelings for Rosie, that he wishes to nurture her and love her, showing her his secret world bit by bit, until she is ready to give him what he wants.

Rosie's desire for the Duke grows into a passionate lust, and soon, she is desperate to be the Duke's little darling.

3. NAUGHTY NELLIE GETS ADOPTED

When orphan Nellie is sold as a servant to the wealthy Duke of Banbury, she is terrified she won't be able to keep up with his demands. With the Duke's reputation for perversion, she is also worried that he might ask her for more than she can politely give...

But when she begins working for the masculine, commanding Duke, she becomes braver in his presence, and even begins to be a little bit naughty in front of him...

On her eighteenth birthday, he gives her a special present that she must wear for him, while the strong hand of his corporal discipline teaches her what it will be like to take her new place in the Duke's manor: no longer as his humble servant, but now as his obedient possession.

Soon, the Duke shows her what it means to be adopted by a man with carnal pleasures, and Nellie is ready and willing to become his plaything. But she might still be naughty from time to time...
