Nursing the Feline Patient

Nursing the Feline Patient

"Nursing the Feline Patient" is a comprehensive and accessible clinical manual addressing the unique nursing needs of cats. Covering all aspects of feline nursing care from the examination room to the surgical suite, the book highlights the special considerations for cat patients throughout. Written specifically for veterinary technicians and nurses, topics range from restraint, preventative care, and laboratory procedures to surgery, dentistry, and specific diseases of concern.

Carefully designed for easy reference, chapters are logically organized into sections on patient management, diagnostics, surgery and recovery, and major diseases by body system. Each chapter begins with an overview of the anatomy and physiology required for a full understanding of the disease. "Nursing the Feline Patient" is an essential resource for veterinary technicians working with feline patients.

From reader reviews:

Faye Wilson:

Playing with family in a park, coming to see the water world or hanging out with close friends is thing that usually you have done when you have spare time, in that case why you don't try factor that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Nursing the Feline Patient, you can enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't understand it, oh come on its referred to as reading friends.

Lela Hird:

This Nursing the Feline Patient is great publication for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. That book reveal it data accurately using great coordinate word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tricky core information with attractive delivering sentences. Having Nursing the Feline Patient in your hand like finding the world in your arm, info in it is not ridiculous just one. We can say that no publication that offer you world within ten or fifteen moment right but this publication already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt that?

Mark Fetter:

Within this era which is the greater man or woman or who has ability in doing something more are more valuable than other. Do you want to become one of it? It is just simple method to have that. What you should do is just spending your time not very much but quite enough to get a look at some books. Among the books in the top list in your reading list is Nursing the Feline Patient. This book that is qualified as The Hungry Inclines can get you closer in turning into precious person. By looking upward and review this book you can get many advantages.

Craig Baker:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Nursing the Feline Patient can make you feel more interested to read.
