Awesome Animals Midnight Edition Volume 1 Penny Farthing Graphics

## Come Over To The Dark Side...

...with this unique animal coloring book.

We took 60 of our favorite animals from our popular Awesome Animals book and did a bit of black magic on them to turn them into fantastic white patterns with all black backgrounds.

Think of the possibilities of coloring these with bright neon pencils or markers and remember, as with all of our books, each image is printed on its own page.
