## **Bonsai y La vida privada de los arboles (Spanish Edition)** Alejandro Zambra

Condenado a la seriedad y a la impostura, Julio, el silencioso protagonista de Bonsai, acaba convenciendo de que es mejor encerrarse en su cuarto a observar el crecimiento de un bonsai que vagar por los incómodos caminos de la literatura. En La vida privada de los arboles, segunda novela del autor, Verónica se demora inexplicablemente y el libro sigue hasta que ella regrese o hasta que Julian este seguro de que ya no volverá.

/ Sentenced to the seriousness and imposture, Julio, the silent protagonist of Bonsai, has just convinced himself that it is better to lock himself in his room to watch a bonsai grow, than to roam the uncomfortable roads of literature.
