Breve historia de las religiones (Spanish Edition) (No Ficción) Fernando de Orbaneja

Como el propio autor dice, este libro es una suerte de manual de uso popular sobre las distintas creencias, las religiones mas importantes, y las no creencias. A partir de la idea de que la busqueda de la verdad es una inquietud universal, de todos los tiempos y de todas las culturas, y no centrandose solo en las religiones vigentes en la actualidad sino tambien en las que fueron importantes e influyeron en las actuales pero han desaparecido, Orbaneja intenta responder a las preguntas que surgen de las dudas habituales que se plantea todo aquel que sienta curiosidad por la religion, sea o no creyente. / A guide to different beliefs, non-beliefs, and all major religions. The search for the truth is a universal concern of all times and all cultures, not focusing only on actual but in all religions, current and disappeared. Orbaneja answers questions that arise from those who are curious about religion, whether believer or not.
