TORN & RESTORED CARD TRICK (Magic Card Tricks Book 7) Johnnie Gentle

This is another Amazing Classic of Magic that professional magicians perform regularly, which I'm sure you'll have seen at magic shows and on the television. However, it is a very easy routine to do and this book explains exactly how you can do it, in Step-by-Step illustrated instructions.

Imagine having a Freely Chosen Card TORN into pieces, with one of the small pieces being kept for verification by the audience member who chose the card. The remainder of the torn pieces are miraculously VANISHED, which in itself as a nice bit of real magic.

However, the real Amazing, Mind-Blowing Magic is the magical way the card is reproduced and in the spectators's hands it is seen to be FULLY RESTORED, with the exception of the little piece that was retained by the spectator and which matches exactly to the Restored Card.

This is a Must for all who love performing card tricks and who really want to build a magical reputation.
