Touching Distance: Kevin Keegan, the Entertainers and Newcastle's Impossible Dream

Martin Hardy

Touching Distance: Kevin Keegan, the Entertainers and Newcastle's Impossible Dream Martin Hardy
In February 1992, Newcastle United appointed Kevin Keegan as manager. Keegan, the two-time European Footballer of the Year, had played for the club between 1982 and 1984. He had been out of football since. His appointment as manager was as big a shock as when he arrived as a player. Exactly four years after Keegan's return to the North east of England, Newcastle were top of the Premiership, nine points clear of Manchester United, having played a game less. It would turn out to be one of the most memorable seasons in the modern history of English football. Keegan's side would play a unique brand of football and become known as the Entertainers. They would take part in a game at Anfield that became widely recognised as the best the Premier League has ever seen. Keegan would also famously square up to Sir Alex Ferguson. Touching Distance tells the story of that remarkable season, through the highs and the lows of a truly dramatic campaign. It also traces the seeds of the revival back to Keegan's first spell as a player, to his return and the dramatic impact he had on a football club, its supporters and an entire region. Touching Distance talks to the people who made it happen, the players, the coaching staff and the board and relives a truly momentous period for the club. It is a story of hopes and dreams and when, for Newcastle United, anything seemed possible.
