Handbook of Counseling Boys and Adolescent Males: A Practitioner's Guide Arthur (Andy) M. Horne, Mark S. Kiselica

This comprehensive, practical resource provides specific strategies for counsellors working with boys and male adolescents from different cultural backgrounds.

The first part examines how psychological, career and athletic development of boys is shaped by a complex interaction of biological, social, cultural and economic forces. The Second Part covers cultural considerations when counselling particular North American client groups, such as Hispanic-Americans. The final part focuses on special populations such as gay, sexually abused and developmentally disabled boys.
