Perfect for ages 7-10.

Includes pictures.

*Includes a Table of Contents.

“I remain just one thing, and one thing only — and that is a clown. It places me on a far higher plane than any politician.” – Charlie Chaplin

In Charles River Editors’ History for Kids series, your children can learn about history’s most important people and events in an easy, entertaining, and educational way. Pictures help bring the story to life, and the concise but comprehensive book will keep your kid’s attention all the way to the end.

Only a select few actors become international stars in their time, but none had as unique a career as Charlie Chaplin. Chaplin was the first true film star, and he managed to do so even when films were still silent. He has been honored with too many awards to count, and the fact that his name remains instantly recognizable nearly a century after his first film is a testament to his influence.

Even today, Chaplin’s films are arguably more recognizable than those of perhaps any other actor or director; everyone is familiar with the famous “Tramp” costume and persona, and even the casual film enthusiast has likely seen films such as *City Lights* (1931) and *Modern Times* (1936). Chaplin is known for the singular blend of pathos and humor evinced by his films, and it is not uncommon for audiences to laugh and cry at alternate points of a Chaplin film, a trait that continues to endear audiences even to this day. For this reason, in his review of Stephen Weissman’s biography of Chaplin, Martin Sieff noted, “It is doubtful any individual has every given more entertainment, pleasure, and relief to so many human beings when they needed it most.”

Due to the way Chaplin was vilified, relatively little is known about the final chapter of Chaplin’s life, and one of the prevailing tensions concerning Chaplin is the way in which he is incredibly famous on the one hand but also a particularly mysterious and even unknown figure on the other hand. After Chaplin’s body was stolen from his grave, Kenneth Schuyler Lynn pointed out that “the image of his empty gravesite came to symbolize his historic elusiveness, as a person no less than as a performer.”

How is it that a director who is arguably more famous than any other also had such an “elusive” personality? History for Kids: An Illustrated Biography of Charlie Chaplin for Children comprehensively examines Chaplin’s life and films, exploring the controversies and the ways in which his life and works are mutually informative. Along with pictures of important people, places, and events, your kids will learn about Charlie Chaplin like never before.
