Russia is a teenage girl who struggles everyday with living her life according to God's will. She wants to break out and be cool with the in-crowd. She's hypnotized by her best friend May and her lavish lifestyle into doing things against her moral and religious beliefs. Study or play? Boys or no boys? Cool or uncool? Church or party? Russia gets a chance of a life time to finally break out and have some fun. What she doesn't know is that this might be her first and last chance to have fun. A victim of peer pressure and worldly desires, Russia has to overcome obstacles that many teens face today. She must decide if she will live her life for God or become of the world. Will Russia be able to make up her mind before time runs out or will she be left behind?
