David Hatcher Childress

Lost Cities of Ancient Lemuria and the Pacific (The Lost City Series) (Lost Cities Series) David Hatcher Childress

Was there once a continent in the Pacific called Lemuria or Pacifica by ecologists, and Mu or Pan by the mystics? There is now ample mythological, geological and archaeological evidence to 'prove' that an advanced and ancient civilisation once lived in the central Pacific. Childress combs the Indian Ocean, Australia and the Pacific in search of the astonishing truth about mankind's past. Contains photos of the underwater city on Pompeii, explains how statues were levitated around Easter Island in a clockwise vortex movement; disappearing islands; Egyptians in Australia; and more.
