Material Culture and Jewish Thought in America

Ken Koltun-Fromm

Material Culture and Jewish Thought in America Ken Koltun-Fromm

How Jews think about and work with objects is the subject of this fascinating study of the interplay between material culture and Jewish thought. Ken Koltun-Fromm draws from philosophy, cultural studies, literature, psychology, film, and photography to portray the vibrancy and richness of Jewish practice in America. His analyses of Mordecai Kaplan's obsession with journal writing, Joseph Soloveitchik's urban religion, Abraham Joshua Heschel's fascination with objects in *The Sabbath*, and material identity in the works of Anzia Yezierska, Cynthia Ozick, Bernard Malamud, and Philip Roth, as well as Jewish images on the covers of *Lilith* magazine and in the *Jazz Singer* films, offer a groundbreaking approach to an understanding of modern Jewish thought and its relation to American culture.
