You've seen it. You've coveted it. And now that you can access the revolutionary iTunes Music Store from your Windows machine, you simply must have it! We're talking, of course, about the world's most popular music player: Apple's magical iPod. Here to unlock all of its secrets--for both Windows and Mac users--is a fun, practical, thoroughly updated volume from popular Mac columnist and author Christopher Breen. Ten-second album downloads, enough storage space for more than 7,500 songs; a slim, super lightweight design; a reengineered, all-touch interface; customizable menus; on the--go play lists; support for more (and better) audio formats; wired remote control; an elegant and convenient charging and syncing dock; and a trio of fun games are just some of the new iPod features covered here. You'll also find new information on setting up the Windows version of iTunes and using it to buy songs from the iTunes Music Store, hints for accessorizing and protecting your iPod, tips for maximizing its storage capabilities, and troubleshooting advice for when it refuses to cooperate.
