The return of Ethan Black is the most magnificent man she's ever met. Mia Burton thinks she's seen the last of Ethan Black, the man who haunts her heart. She's wanted to forget him, but can you really dismiss from your mind the most magnificent man you've ever met? He's a painful reminder of her troubled past and she needs him to stay just a memory. But Ethan's returned in all his very real glory, unyielding in his bid to resolve the history between them. Mia wonders what his real motive can be because it's clear he'll do whatever it takes to win her back!
