The Risen: Courage* - The sequel to the Best-Selling, Award-Winning, Post Apocalyptic Zombie Horror Novel, *The Risen: Dawning

The Risen: Courage is the second novel and fourth book in **The Risen** series by author **Marie F Crow**. This book continues the story presented in **The Risen: Dawning**. **The Risen: Dawning** and **The Risen: Remnants** are necessary to be read first before beginning this novel in order for the reader to follow the story progression.

Synopsis:

When everything shatters into madness, how do you pick up the pieces that are left? When your friends lie bleeding around you, which ones do you fight to save? To find these answers, **Helena Hawthorn** will have to face the ghosts that now walk the halls around her.

In the wake of **J.D.**'s madness, **Helena** and **G.R.I.T.** will have to find the courage to fight for their home and for each other as a new evil takes hold of their lives. The biggest threat to the high school and its survivors is no longer **The Risen**, and **G.R.I.T.** will have to fight to survive.

Comments from fans about Marie F Crow's zombie apocalypse series:

"**FINALLY!!!! A zombie story that I LIKE!!!!**"

"*Freakishly awesome!*"

"*From the beginning to the end...THIS is an amazing zombie apoc story.*"

"**I mean...Zombies...Bikers...the Paranormal? YES PLEASE!**"

"*With zombie books, one of the greatest pleasures is to be able to get that chill up your spine as you embrace the apocalyptic chaos and atmosphere of death, destruction and despair. That is exactly what **Crow** does here, she paints the sublime with her words and in doing so creates a lovely and violent story where you can feel each chapter viscerally through her deep descriptions.*"

"Marie F Crow once again delivers a powerful and gripping novel to The Risen series that will have you fearing for Helena every step of the way. She and her companions have to face off against zombies that are becoming more intelligent and her own inner demons that are becoming stronger by the day. If that wasn't enough, they find themselves confronted with religious fanatics that will challenge their will to survive to its absolute breaking point."

"I think the approach **Crow** takes to zombies is perfect. You don't hold back, and you don't ease into things. This is a really screwed up world. You don't get time for a nice calm intro before the chaos, you get brought right into it, and you've gotta sink or swim. That's what her writing does to the reader. You're either in or out, but there's no in between here. By this point, people who have read all the books are fiercely loyal to someone, or to a bunch, but you've got your emotional strings all kinds of tied up in this story, and **Crow** starts pulling at them, one by one. It's going to hurt, I expected this going in, but I still loved it!"

"Marie F Crow will be a force to be reckoned with in the very near future, this I can already see..."

"Kudos to Marie F Crow for such a fantastic read!"
