Sam Cameron

The Secret of Othello: A Fisher Key Adventure (Fisher Key Adventures) Sam Cameron

A shooting star streaks across Fisher Key's skies. Natural phenomenon or secret military satellite? For Steven Anderson, any mystery is a welcome distraction. He's vowed to avoid all the island's pretty girls until the SEALs approve his waiver request. Unfortunately his libido—and the girls—have other ideas.

Meanwhile, Denny Anderson is busy wooing the boy of his dreams. If he plans things right, he won't be the only virgin entering the U.S. Coast Guard Academy. Too bad every romantic rendezvous is ruined by misunderstandings, interruptions, and pesky tourists. As the days get hotter, the twins are drawn into an underwater race against time, tide, and treason. Suddenly, true love is the least of their problems. Under the waves, no one can hear you scream...
