“Natasha thought about all the hard decisions she had made in the last few months, as she traveled up the elevator to the thirtieth floor for the second time. Her cold silence had not been easy for her. She had met Lucas Kerry only twice, argued the first time and made love the second. She didn’t know him well, but there was an indisputable attraction there. However, she didn’t want to fall into the rich man’s trap. She didn’t want to slide down that slippery slope of losing her heart to a man who pitied her.”

Natasha Gibson didn’t think she needed to change her life. She was perfectly satisfied with her small-time writing job, her sufficiently big apartment and biking around the city. That is until she receives a mysterious email from the richest man in the city, a request to meet with him at his office. From the moment she steps into Lucas Kerry’s intimidating glass-building, things will never be the same again. For her at least.
