Love Found in the Snow Teresa Ives Lilly

When Shera Logan stepped off the train to stretch her legs, she never expected to twist her ankle and be abandoned at a coal stop, 60 miles from the next town. After walking for hours, she realizes that she can go no further, so she lays down in the snow, makes a snow angel, and her most special prayer asking God to either send someone to help her or to take her home. Mathew Tucker, intent on returning to his ranch after a visit to town, never expected to find a woman collapsed in the snow almost frozen to death. Will Shera's prayers be answered by this cowboy who tries to save her, or will she become a real angel? This is a wonderful Christmas novella with a special romance.
