Seductive Nights: The Standalone Novels is a box set of the two New York Times Bestselling standalone novels in the wildly popular SEDUCTIVE NIGHTS series by bestselling romance author Lauren Blakely. NIGHTS WITH HIM Jack Sullivan is a Sex Toy Mogul. An extremely eligible bachelor in New York, he's the full package, right down to his full package. Hell, this man could be the model for one of the toys his company, Joy Delivered, peddles. Instead, he's the powerful and successful CEO and he's got commitment issues a mile-long after the tragic way his relationship with his fiancée ended. He's looking for a way to erase the pain and that arrives in the form of Michelle Milo. From her pencil skirts to her high heels, she's his perfect fantasy, especially since she has no idea who he is the night they meet at a hotel bar. He doesn't have a clue either that she's the brilliant psychologist his sister has arranged for him to see to help him get over his past. His touch helps her forget that other man. When he shows up at her office door the next day, there's no way in hell she's going to treat him after they've slept together. Jack isn't willing to let go of the first woman he's felt anything for in years so he proposes a deal - share her nights with him for thirty days. At the end of one month of exquisite pleasure, they walk away, having helped each other move on from their haunted pasts. But soon, all those nights threaten to turn into days as the lines between lust and matters of the heart start to blur. Can two people so terribly afraid of love truly fall head over heels? FORBIDDEN NIGHTS She has been the star of his dirty dreams for years. Sexy hotel CEO Nate Harper has lusted after his good friend Casey Sullivan for a long time, and she's cried out his name in pleasure countless times in his fabulously filthy fantasies. But even though he's quite skilled at pleasing a woman, he won't act on his intense desire because he knows he's no good for her. After the kind of hurt his ex inflicted on him, he's a committed playboy for life, and Casey only wants true love. All that changes one hot night when she comes to him with a proposition he can't resist -- she wants him to teach her to be submissive in the bedroom. Casey soon learns how very much she likes letting go of control to him. She's never been more turned on in her life than she is in Nate's arms. And he's never been more taken by a woman. The only trouble is as she experiences what it means to let go, he starts to experience what it means to feel again...And the lessons in seduction threaten to turn into so much more than either one bargained for... What happens when years of desire and lust ignite a passion that can't be denied?
