Attorney Brady Stewart knows he's in for a wild ride when psychic matchmaker Armani Vasquez tasks him with finding a Purple People Eater.

His life becomes even more complicated when he meets Amy Winn, a woman crazy enough to take on a would-be mugger, and desperate enough to come looking for a mysterious inheritance.

As Brady and Amy attempt to unravel the mystery behind the puzzling legacy, they can't deny their mutual attraction despite the fact they live in different worlds.

Difficult choices put their budding romance at risk as they juggle Amy's desire to unlock the secrets of a father she never knew and Brady's need to tread carefully in order to protect his career.

Can they solve a mystery twenty years in the making? Or will doing so ruin any chance at a future together?
