**Confessions of a Rambunctious Kid: A Quest for Self-Discovery and the Meaning of Life** Jennifer Leigh Allison

Written with humor and transparency, this nostalgic coming-of-age memoir is about growing up in the '70s and '80s. Jennifer began her quest for self-discovery at an early age when she realized she was different from other kids. Suffering from a bizarre condition known as Sensory Processing Disorder, she has a unique perspective on life and shares her innermost thoughts and struggles. She fell into many deep potholes on her journey, which included abuse, addiction, and poverty. Ultimately, however, the challenges taught her some valuable life lessons. This story will make you laugh, cry, and cheer as you travel alongside Jennifer on the road to hope, transformation, and the meaning of life.

If you have a prodigal child, or you are a prodigal child, you'll find encouragement here. This story shows just how far God will go for us.
