Starving artist Felicia Dare hates rich men. As far as she's concerned, they're all absent, philandering jerks who care more about money than people. And she should know. Her own father is a millionaire.

Or was. When he shows up on her doorstep and tells her he blew the GDP of Africa on bad investments and failed businesses, Felicia knows he's getting what he deserves. Except that's not all: her mother is sick, and he can't afford the payments for her treatments. He has a backer to save his company, but there's one catch: Felicia must marry him!

A modern woman, Felicia balks at the implication that her hand can be bought, and she sets out to give this backer a piece of her mind. But there's more to Anton Waters than money and power, and when they come face to face, Felicia realizes that saying no to his proposal may be harder than she thought!

Warning! This 77,000 word novel is full of drama, romance, and red hot BDSM sex, and is for mature readers only!
