## **Jaded Heart: a true story of love, loss, addiction, and recovery** Don Egan

Don Egan found freedom from addictions after years of being overwhelmed by trauma of grief. In Jaded Heart he distils the wisdom forged through decades of searching for personal peace, after the sudden death of both his parents and his son. This book will help people who are struggling with grief and addictions and may not even realize it. Discover how one man found an easy way to get free from compulsive behaviour and addictions. Sharing his private journey through emotional pain, the author tells how he finally got free. Shot through with life-changing quotes and helpful observations, Jaded Heart tells the reader how to take simple steps to live in better health - physically, emotionally and spiritually. For some people, this will be the best investment in their wellbeing they've ever made. This book looks at these questions: How do addictions begin? How are habits formed? How do we get free from compulsive behaviour and addictions? How do we overcome grief and emotional hurt? How do we stay free? Why doesn't God just heal us? Why trite and judgmental answers are so unhelpful.
