Walter Arnold Kaufmann

Nietzsche: Philosopher, Psychologist, Antichrist: Third Revised & Enlarged Edition Walter Arnold Kaufmann

This classic is the benchmark against which all modern books about Nietzsche are measured. When Walter Kaufmann wrote it in the immediate aftermath of World War II, most scholars outside Germany viewed Nietzsche as part madman, part proto-Nazi, and almost wholly unphilosophical. Kaufmann rehabilitated Nietzsche nearly single-handedly, presenting his works as one of the great achievements of Western philosophy.

Responding to the powerful myths and countermyths that had sprung up around Nietzsche, Kaufmann offered a patient, evenhanded account of his life and works, and of the uses and abuses to which subsequent generations had put his ideas. Without ignoring or downplaying the ugliness of many of Nietzsche's proclamations, he set them in the context of his work as a whole and of the counterexamples yielded by a responsible reading of his books. More positively, he presented Nietzsche's ideas about power as one of the great accomplishments of modern philosophy, arguing that his conception of the "will to power" was not a crude apology for ruthless self-assertion but must be linked to Nietzsche's equally profound ideas about sublimation. He also presented Nietzsche as a pioneer of modern psychology and argued that a key to understanding his overall philosophy is to see it as a reaction against Christianity.

Many scholars in the past half century have taken issue with some of Kaufmann's interpretations, but the book ranks as one of the most influential accounts ever written of any major Western thinker.

Leigh Harris:

Is it you who having spare time in that case spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Nietzsche: Philosopher, Psychologist, Antichrist: Third Revised & Enlarged Edition can be the reply, oh how comes? A fresh book you know. You are thus out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these books have than the others?

Paul Jackson:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Nietzsche: Philosopher, Psychologist, Antichrist: Third Revised & Enlarged Edition can make you really feel more interested to read.
