Angel Khoury is sick and tired. Tired of her job dancing in a London Gentleman's Club and sick of her troubles with women. But when Angel is offered freelance work in a sleepy little village on the southwest coast of England and ends up taking a second job at a local garden center to make ends meet, things start heating up. And soon they are sizzling.

The source of the heat is Nell Frank, the blond woman who owns the garden center, whose life is complicated enough without an exotic dancer in the picture. After encounters under moonlit skies, on beautiful Cornish beaches, and in greenhouses under fragrant flowering vines, the couple must face their demons. Both have deep scars, and temptations abound.

Can they overcome these obstacles for a future together? Is Nell's lover the fallen angel she fears? Soon Angel and Nell must decide if they're ready to leave their past behind to find their happily ever after.
