Religion, Law and Society (Cambridge Studies in Law and Society)

Russell Sandberg

Religion, Law and Society (Cambridge Studies in Law and Society) Russell Sandberg

Issues concerning religion in the public sphere are rarely far from the headlines. As a result, scholars have paid increasing attention to religion. These scholars, however, have generally stayed within the confines of their own respective disciplines. To date there has been little contact between lawyers and sociologists. Religion, Law and Society explores whether, how and why law and religion should interact with the sociology of religion. It examines sociological and legal materials concerning religion in order to find out what lawyers and sociologists can learn from each other. A groundbreaking, provocative and thought-provoking book, it is essential reading for lawyers, sociologists and all who are interested in the relationship between religion, law and society in the twenty-first century.
