The Nature Pyramid Philosophy Anthony Canelo

The Nature Pyramid Philosophy is an original and penetrating perspective on natural healthcare. Its purpose is to help all people overcome chronic disease, eradicate pain, resolve imbalances, and achieve peak performance by providing a down-to-Earth hierarchy of human needs. As Anthony Canelo's second compilation book, The Nature Pyramid Philosophy includes: Beyond Diet & Exercise, The Nature Pyramid, The Secret One, and Cornerstones. "Who has the truth? What is the truth? Where else can you find the answer to these questions other than the natural world? Thus, for centuries, humanity has sought to reveal its mysteries. Invariably, however, earnest seekers learn an uncanny lesson. They will find that the truth is not hidden in a word or a book. Neither are the mysteries of nature encoded on stone tablets. Rather, the most encompassing definition of the truth is, far too often, hidden in plain sight."
