Biker Mike Baron

From Michael Baron, the award winning creator of Nexus and Badger, comes a tale of terror and suspense set against the backdrop of the Outlaw Biker culture. Josh Pratt is an ex-con turned private investigator. A woman dying of cancer hires him to find the son she gave up as a baby. The child's father is a sadistic sociopath named Moon who has vowed to kill her for abandoning them. Josh is the BIKER, caught up in a race for survival against a human monster on the road between heaven and hell at the end of which lies either salvation or damnation. Baron spins a tale of unrelenting suspense and horror that moves across his narrative landscape like the roar of a chopper's engine. Creating memorable characters and authentic backgrounds, this is an amazing, quality crime thriller unlike anything you've ever read before. The man who shook up the comic industry with his revolutionary stories now turns his limitless skill and imagination to the world of crime fiction and the result will blow you away. Featuring illustrations by artist Joseph Arnold and designed by award-winning Art Director, Rob Davis, BIKER is a punch-to-the-gut reading experience even the most jaded thriller fan will be cheering. "Hard-boiled. Hard-edged. Hard-core. Hard to put down until you get to the last page." Charles Saunders, author of Imaro and Damballa.
