\*\*\*WARNING: Because of the abuse Luna endures and the demonic behavior of Lucifer's sons, BLOODLINE and the rest of the SAVING DEMONS SERIES may be disturbing to most readers. If you are looking for a warm, fluffy read, BLOODLINE ( Paranormal Romance, Dark & Twisted) is definitely not for you!

\*\*\*\*

Here's what some people are saying about Bloodline:

"Fantastic!!! this book kept me spellbound.... Couldn't put it down. At times it made my heart race as I was held captive in the minds of each character. it is so wonderfully complex it leaves me hungry for more. it is a UNIQUELY dark and mysterious read. definitely not your ORDINARY witches and demons story!!! Shannon Brown is a very adept and creative author. I am fascinated with her imagination and will definitely read everything she writes. can't wait for my next read!" 5 stars from D.G. Colorado

\*\*\*\*

"Oh wow! Took me to places I never imagined! I love the way the characters came alive with each new chapter. It was hard for me to put the book down. With anticipation waiting...waiting...to find out what's going to happen NEXT?

A great read 5 stars!" P.M. Alabama

Sure, I fell in love with Lucifer's son, but so what? Worse things have happened, believe me! Like the time my demonic father nailed my palms to the cross, or the time I shoved a dagger through my breast to sacrifice myself to The Coven of Hallows in order to save my best friend. . . . Yip, worse things have definitely happened.

But I can tell you, loving Bane, one of Satan's four angelic sons, is not easy. Bane is totally hazardous to my health. He and his brothers want to be free from their bonds to The Coven of Hallows. The only way they will ever escape them is if the Lanchester blood runs dry. I just so happen to be Luna Lanchester. The last of my bloodline. This kinda puts me in a predicament. Especially when The Coven finds out that Bane and I have the Love-Bond they've been waiting for; a long-awaited bond that is the magical ingredient The Coven needs in order to gain control over their unruly, summoned demons. This kinda puts Bane in a predicament, too. He has a decision to make. He can kill me and finally be free from The Coven, or he can protect me from his hellish brothers, be forever bound to The Coven and be banished from his father's presence for eternity.

Because of the blood tie that enables the sons of Satan to have access to my thoughts, I am about to be attacked from within by some pretty malevolent forces. The entire Coven of Hallows wants my blood. Not to mention, there is another demon, one of Bane's brothers, who has a very blood-thirsty desire for me. But I am not afraid (insert mental eye-roll), for I am a warrior. I am a descendant of the most fearsome warriors this world has ever seen. I will kick all their evil butts!

Hopefully, anyway. . . .
