Yes, they are still exist: happy animals on picture-book farms. Old, and in some cases endangered, livestock breeds such as the Swabian Hall pig, Hinterwald or the Hungarian curly goose grow slowly and generate less profit than their high-yield modern relatives - but they play an important role in securing genetic diversity for the future, as well as giving pleasure to all animal and nature lovers. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
