Ferocious Flirting: Making Marriage Wonderful Matthew O. Smith

"Thou shalt ferociously flirt with thy wife all the days of thy life." Caught in the cycle of drudgery and routine, Matthew Smith found his way out as he reflected on an article about the importance of smiling and on the advice he received on his wedding day to "ferociously flirt" with his wife. He set out to do just that, seeking ways to connect and to strengthen his relationship, and discovered that his marriage became stronger--and more fun!--for the effort. Smith shares the ideas that worked so well for his family in this book (originally collected on the blog ferociousflirting.com). Each of the articles is family-friendly and shares some tip, date idea, or thought on keeping the fire alive in your marriage.
