He's a playboy - a different chick in his bed, off on a different ride, and always chasing something new. Frank "Tank" Oleander, Haywood's Hellions road chief, will give anything for his club, including his life.

When the fast pace of the Hellions life finally catches up to him, Tank finds himself at a crossroads. He is forced to face some life-changing thoughts or succumb to the darkness of death. Teetering on the brink of giving in, her voice is all he is holding on to. The coma he can't come out of is full of the memories he can't let go of. She's the light in the darkness.

She has left behind everything she has ever known chasing stability. His life literally hangs in the balance. Can she see beyond the chaos to the man behind the cut? Will they find their forever ride?
