Mystic: Cats and Dragons (Volume 1) Steven J Dickey

Steven was another one of those ordinary, young gentlemen who got wrapped up in a world full of monstrous fiends and magical legends. On the search for ten mystical rings, Steven is joined by a haughty princess, a brave marksman, a beautiful singer, a retired swordsman, a reluctant mercenary, a charming orphan, a rebellious prince, a celebrity chef, and a brilliant, yet cursed, tactician. Together, the ten of them will scour deserts, forests, icy tundra, and even the moon. At least, it looks like the moon. Being chosen as the world's next Mystic of Light sounds like fun, but when this new world is riddled with political tyranny and racial oppression, Steven soon discovers that this new world isn't all that different from his. The only difference? The cats can talk and the dragons are real.
