The Book of Tiki Sven A. Kirsten

After World War II, US soldiers stationed in the South Pacific returned home with tales of trees loaded with exotic fruits, sleepy lagoons, white-sand beaches, and gorgeous people wearing grass and feathers as they danced half-naked during all-night orgies of food and music. The American imagination seized on this exotic version of island culture, and it exerted a massive influence on Fashion, pop music, eating and drinking, and even architecture. Everything from bars to bowling alleys adopted elements of Polynesian design. Tikis, the carved wooden and stone statues from across the Pacific, found their way into every hotel lounge and suburban living room. But as the fad was reaching its peak, the big generation gap of the late 60s put a sudden end to Polynesian escapism as the children of the Tiki revellers decided to seek their own Nirvana in sex, drugs, and rock'n'roll. The 90s have seen a revitalised interest in this kitsch anomaly of post-war America -- lounge bars and the sound of ""exotica"" are back in. This enlightening and hilarious guide casts the reader as an ""urban archaeologist"" exploring the lost remnants of Tiki culture across the States -- discovering relics from this forgotten civilisation in thrift stores, yard sales, and used book and record emporia. A combination of nostalgia and fascinating pop cultural study, this volume is a long overdue investigation into the cult of the Tiki.

From reader reviews:

Julia Hayes:

The Book of Tiki can be one of your basic books that are good idea. We recommend that straight away because this guide has good vocabulary that can increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The article writer giving his/her effort to place every word into satisfaction arrangement in writing The Book of Tiki although doesn't forget the main level, giving the reader the hottest and based confirm resource data that maybe you can be one of it. This great information may drawn you into brand-new stage of crucial considering.

Nick Jansen:

That book can make you to feel relax. This kind of book The Book of Tiki was vibrant and of course has pictures around. As we know that book The Book of Tiki has many kinds or category. Start from kids until youngsters. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. Therefore , not at all of book are generally make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book for you and try to like reading in which.

Frank Craver:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Book of Tiki can make you sense more interested to read.

Dolores Parker:

What is your hobby? Have you heard which question when you got college students? We believe that that query was given by teacher with their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person just like reading or as studying become their hobby. You need to understand that reading is very important and book as to be the point. Book is important thing to provide you knowledge, except your current teacher or lecturer. You see good news or update regarding something by book. Different categories of books that can you go onto be your object. One of them are these claims The Book of Tiki.
