When Gifted Kids Don't Have All the Answers:: How to Meet Their Social and Emotional Needs Judy Galbraith and Jim Delisle

Gifted kids are so much more than test scores and grades. Still, it's sometimes difficult to see past all that achievement and potential to the child, adolescent, or teen who may be filled with anxiety, pressured to be perfect, lonely, alienated, confused, and unsure of what the future might bring. This book offers proven, practical suggestions for encouraging social and emotional growth among gifted, talented, and creative children and youth. The authors explain what giftedness means, how gifted kids are identified, and how we might improve the identification process. Then they take a close - up look at gifted kids from the inside out (their self - image and self - esteem) and the outside in (challenges to their well - being from their family, school, peers, and society in general).
