Confessions Of A Panty Seller: How To Turn Your Used Panties Into Real Money A.E. Woodworth

I have wanted to write this for a long time. I have wanted to tell how I sold used panties all over the world and made a lot of money doing it. Up until now, this story has been confined to parties and dinner conversation. It really makes for an incredible story. People will look at me as I tell it and you can tell they aren't sure if I am not just making everything up. The idea is often just too bizarre and outside of their experience for them to wrap their heads around. When I say it, it does sound crazy. People are willing to pay money for the pleasure of having your used panties. They are willing to pay incredible amounts too. I have been paid as much as \$100 for a pair of cotton panties that I bought for \$2 and wore for a day. I don't think even cocaine has a profit margin that high!

That is why I am writing this how to. I want everyone to know how to do what I did. I am going to tell you how you can do what I did and make the kind of money I made. Nothing is stopping you from selling your panties and paying off debt or taking fun, exotic tropical vacations. You can turn that pussy of yours into gold and have a wild time doing it. If there is nothing else I want you to learn, that is it.
