## Four sexy werebears... One STEAMY Night...

Sarah and Tina are on a journey to forget Tom, Sarah's cheating ex-boyfriend who left her high and dry only a few weeks ago. At a remote cabin in the snowy mountains, they hope to spend their days having so much fun that Sarah gets over all her pain—and maybe they'll find her a new boyfriend, as well.

It's off to a promising start when Evan, the caretaker of the mountain lodge, turns out to be a huge, hot hunk of desire the likes of which Sarah and Tina have never seen. And when they find out there's four more just like him, they can't help but feel like all their dreams have come true...

Until Sarah learns the boys' secret. Evan and his brothers are **werebears**, and when the moon is full, they lose control of themselves—and their desires.

But who knows? With all these half-naked, muscular men unable to keep their hands off her, Sarah might just lose control of her desires, too.
