King of Spades: Billionaire Romance (Kings of Valden Billionaire Romance Series Book 1) Ellie Jaxon

Tall, broad, and ripped... but will this sexy billionaire give me what I want?

Thanks to my smart mouth, I just got fired from another job. It's fine—I hated all those jobs anyway. There was never any adventure, any wit, any courage.

But when a letter slips under my door from a mysterious Olivia Rose—who claims she's my mother—my life changes in an instant.

"If you're reading this letter, I'm already dead. They're coming after you."

I asked for adventure? Here it is.

To find some answers, it looks like I'm going to have to do some sleuthing amongst **the city's most powerful billionaires: the Kings of Valden**. First stop: Nolan Lewis, Valden's ace attorney.

True to his domineering public persona, Nolan immediately demands that I lay low at his place. Fine by me—all the better for me to sneak around his **massive penthouse...**

What's going to be hard is keeping my hands off Valden's most eligible bachelor. **Tall, broad, with rippling muscles and a sharp jaw** (and a tongue to match)... let's just say that being stuck in a penthouse with him isn't so bad...

But will he give me what I want before I move on to the next billionaire?
