**I thought he just was a nice man that saved my life.
If I had only known that he was a gun-running
thug...**

Going off the road and into the embankment was an accident.
I would have died in the water if it wasn't for him.

When I opened my eyes for the first time, the handsomest man I have ever met was holding me close to warm me up.
I felt a gratitude I had never felt before, as well as something else.

He came over the next day to help me, but things get a little heated and I can't say no to him.
Can't say no to his kisses and hard body against mine.
I thought he was the perfect one for me, such a gentleman
But I was so very wrong.

The light of morning brings the truth and his past life rears its ugly head and I get caught in the middle of it.
But it's too late.
I think I already love him.
