The Winter King (The Arthur Books #1) [Paperback] Bernard Cornwell (Author)

It takes a remarkable writer to make an old story as fresh and compelling as the first time we heard it. With *The Winter King*, the first volume of his magnificent *Warlord Chronicles*, Bernard Cornwell finally turns to the story he was born to write: the mythic saga of King Arthur. The tale begins in Dark Age Britain, a land where Arthur has been banished and Merlin has disappeared, where a child-king sits unprotected on the throne, where religion vies with magic for the souls of the people. It is to this desperate land that Arthur returns, a man at once utterly human and truly heroic: a man of honor, loyalty, and amazing valor; a man who loves Guinevere more passionately than he should; a man whose life is at once tragic and triumphant. As Arthur fights to keep a flicker of civilization alive in a barbaric world, Bernard Cornwell makes a familiar tale into a legend all over again.
