La Gran aventura del reino de Asturias (Historia divulgativa) (Spanish Edition) Jose Javier Esparza
El nacimiento del reino de Asturias bajo la España musulmana fue una empresa titánica de resistencia y supervivencia. Una de las aventuras más fascinantes no sólo de la Historia de España, sino de la historia universal. Aunque resulta inconcebible que un puñado de rebeldes cristianos consiguiera formar en el norte de la Península un reino independiente frente al mayor poder de su tiempo y, después, extenderlo hacia el sur en una tenaz labor de repoblación, eso es lo que ocurrió en torno a Covadonga, entre Asturias y Cantabria, a partir del año 722. ¿Cómo fue posible semejante proeza? ¿Quiénes fueron sus autores? ¿Cómo se llamaban los heroicos pioneros que empezaron a ganar tierras hacia el sur, gracias a sus azadas más que a sus espadas? José Javier Esparza ?director del programa La estrella polar, de la COPE? nos sumerge en aquel tiempo extraordinario, donde todos los días se jugaba la supervivencia de una civilización. Año tras año, paso a paso, el relato de los orígenes del reino de Asturias nos va descubriendo nombres y figuras hoy olvidados: desde los pioneros Lebato y Muniadona hasta Beato de Liébana, pasando por los condes guerreros y los monjes colonos. Doscientos años de historia que culminan en la llegada al Duero y en la metamorfosis de la corona de Oviedo en reino de León. Pero ¿cómo empezó todo?
