Noa Noa

Paul Gauguin

Noa Noa Paul Gauguin

The original version of a great classic of modern art, back in print

Gauguin's great diary from Tahiti almost never saw the light of day in its original form. Sent by the artist to his friend Charles Morice in Paris, the manuscript was published in 1901 with immediate success, under the names Paul Gauguin and Charles Morice. With Gauguin's permission, Morice had "edited" and enlarged it to make it more readable. It was to be 40 years before Gauguin's original version came to light, and it is published here in a translation by Jonathan Griffin, together with a detailed afterword by Jean Loize, who rediscovered the manuscript. Loize shows that Morice had in parts altered Gauguin's text beyond recognition—a startling discovery that entirely changed ideas about Gauguin's style and intentions. This genuine version is not only an important document, it is also a beautiful piece of writing: amusing, acid, wide-eyed, and moving. Gauguin feared that, unedited, it would seem absurdly crude; and no doubt it would have, to most readers in his day. Today we can appreciate its sketch form, jerky directness, authentic freshness. This edition is illustrated with the watercolors, wood-engravings, and drawings that Gauguin assembled for the book.

From reader reviews:

Ryan Daggett:

What do you in relation to book? It is not important to you? Or just adding material when you require something to explain what your own problem? How about your free time? Or are you busy individual? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Every person has many questions above. They need to answer that question mainly because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need that Noa Noa to read.

Larry Young:

Reading a guide tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Using book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their own reader with their story or their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors in this world always try to improve their expertise in writing, they also doing some exploration before they write to their book. One of them is this Noa Noa.

Anthony Carter:

The book untitled Noa Noa contain a lot of information on that. The writer explains the girl idea with easy way. The language is very clear and understandable all the people, so do certainly not worry, you can easy to read the item. The book was written by famous author. The author gives you in the new period of literary works.
