Do angels die? Do angels really have wings? Can angels become human? Can humans become angels? Pop culture's answers to these questions may make good movies and campfire tales, but they couldn't be more contrary to God's teaching in the Bible about these amazing supernatural warriors. Debating wings or no wings might make amusing dinner conversation, but accepting Hollywood's version of angel's falling in love with humans can only lead to a watered down belief of the Scriptures. Vicki V. Lucas separates fact from fiction by examining what the Bible says about the different kinds of angels, examining what they do, how they interact with humans, and more.
