JAMES BOND 007: DIAMONDS ARE FOREVER - Movie Posters, Lobby Cards, Movie Stills And Photographs From Around The World

DIAMONDS ARE FOREVER

After George Lazenby portrayed James Bond in *On Her Majesty's Secret Service*, Sean Connery returned to the tux, gimmicks, and catchphrases of Secret Agent 007 in his penultimate Bond outing, *Diamonds Are Forever*. Fragments of Ian Fleming's original 1954 novel remain, including the characters of the alluring Tiffany Case (Jill St. John) and fey hitmen Wint (Bruce Glover) and Mr. Kidd (Putter Smith). The remainder of Richard Maibaum and Tom Mankiewicz's script diverges dramatically from the novel, involving Bond in a scheme by the insidious Ernst Blofeld (Charles Gray) to force the world powers to disarm so that he can take over the globe. Folksinger Jimmy Dean shows up briefly as a Howard Hughes-like reclusive billionaire, while Lana Wood (Natalie's sister) participates in one of the film's edgiest cliffhangers. Agreeing to make *Diamonds Are Forever* only because of the money offered him, Sean Connery parted company with the role for 12 years after this film; he returned to the role once more in 1983, for Irvin Kershner's *Thunderball* remake *Never Say Never Again*.
