The Great Gatsby F. Scott Fitzgerald

"So we beat on, boats against the current, borne back ceaselessly into the past." These are the last words in the novel, and sum up its theme. Our minds (like moths to the light) are drawn irresistibly to the most wonderful moments we have experienced. Our mistake is then to build our future around them, not realizing that they can never be recaptured. In pursuing the past into the future, we deny ourselves the real potential of the future. The Great Gatsby is developed in novel form around the story line of a Greek tragedy. Nick Carraway, Gatsby's neighbor, is the narrator, serving the role of the chorus. This choice of structure creates a marvelous reinforcement for the book's theme. The novel is constricted by the tragic form, even as Gatsby's future is by his immobilization by the past. If you like that sort of irony, you'll love The Great Gatsby.
