**Girl in Glass: Dispatches from the Edge of Life** Deanna Fei

**Winner of 2016 Books for a Better Life Award**

**A *Washington Post* Book Club Selection**

**A *Public Books* Favorite Book of 2015**

When her daughter was born nearly four months premature, Deanna Fei confronted a shattering question: *Had she delivered a child or lost one?* Over months in the hospital, as she held the hand of a tiny baby fighting for her life inside a glass box, she came to grips with parenthood at its most elemental. Then, a year after she brought her daughter home, the CEO of her husband's company publicly blamed the medical bills of the beautiful, now-thriving little girl for a cut in employee benefits and attached a price tag to her life, setting off a national firestorm.

*Girl in Glass* is the riveting story of one child's harrowing journey and a mother's impassioned defense of human worth against corporate disregard. With luminous prose and an unflinching eye, Fei explores what it means to save a life: from the front lines of a neonatal intensive care unit to the perils of the American health-care system; from decades of medical innovation to the question of how we care for our most vulnerable; and finally, to the potent force of a child's will to live. Above all, *Girl in Glass* is a testament to how love takes hold when a new life defies all expectations.
