What if you could know exactly what your friends are thinking? High school student Winter Reynolds can, but there's a catch...

She can only read people's thoughts when she's kissing them.

When a member of the track team is murdered, Winter has an opportunity to use her special ability to find the killer. Trouble is, kissing everyone on the track team isn't such a good idea when you have a new boyfriend. Talk about complications!

Should Winter persevere using her secret power to catch the murderer still in their midst, even if it means risking her relationship with her one true love?
