It's A Boy!: The Story of the Devotion to the Baby Jesus Rev John J. Mericantante III

Perhaps more than any other one individual in the history of Humankind, the Baby Jesus has enjoyed the most attention. After all even the most famous of Royalty or Conquerors, Athletes or Movie Stars have not been serenaded on the occasion of their birthdays for the past 2014 years as the Baby Jesus has. And speaking of years, only the birth of the Baby Jesus has changed the calendar that the world uses to mark our days and weeks, our months and years and even though some politically correct have changed B.C.(Before Christ) to B.C.E.(Before Common Era) and the A.D.(Anno Domini...Year of the Lord) to C.E.(Common Era) it is still true that without Jesus there would be no singular personal event as important from which to begin a counting of the passage of time! And what historical person other than Jesus still has over a billion followers who believe him or her still to be alive having resurrected from the dead, and not only still alive but all powerful and all knowing! It is these billions of people around the world who sing to the Baby Jesus every year on the day of His birth and although He is no longer a baby, have for that one day a fascination of Jesus as a baby.
